Itinerary

Day 1

Arrival in Luxor & Esna

Upon arrival at Luxor airport or train station, you'll be warmly welcomed and assisted by your tour manager from Luxor and Aswan Tours.

Your Egyptologist tour guide will take you on a fascinating tour of Esna, a vibrant merchant town. Esna is famous for the ancient Temple of Khnum, which is located 9 meters below street level.

Begin your journey with a short walk to the temple, followed by a stroll through the charming streets lined with beautiful textiles and exotic goods.

Overnight on board the Nile boat in Esna.

Meals Included: Lunch, Dinner

Day 2

Esna – El Kab – Edfu

While you sleep, the boat gently sails towards El Kab, located on the East Bank of the Nile. Once the capital of Upper Egypt, El Kab is home to the Temple of Nekhbet and several fascinating tombs carved into the mountainside.

Upon arrival, take a leisurely walk through a small fishermen's village to visit the necropolis. In the afternoon, the boat will dock in Edfu, where you'll visit the remarkable Greco-Roman Temple of Horus.

Known for its excellent preservation, the temple is reached by a horse-drawn carriage ride through the lively city streets.

Afterward, return to the boat and set sail toward a beautiful island.

Meals Included: Breakfast, Lunch, Dinner

Day 3

Nile River Exploration

This day is dedicated to relaxing and exploring the river. After an optional morning walk and breakfast, enjoy a leisurely sail. In the afternoon, the boat will stop at an island where you can take a stroll or swim in the Nile. As dusk falls, there may be an opportunity to walk into the desert along a valley filled with ancient Egyptian hieroglyphs and prehistoric inscriptions.

These markings were once part of the shortest route through the desert to Libya. In the evening, the boat will dock at the foot of the floodlit Temple of Gebel Silsileh.

Meals Included: Breakfast, Lunch, Dinner

Day 4

Gebel Silsileh – Kom Ombo

The Nile narrows here between two mountain ranges, and you'll likely be the only visitors at this fascinating site, as large cruise ships cannot dock.

Explore the small Temple of Horemheb and walk through the sandstone quarries where ancient Egyptians sourced stone for their temples.

Afterward, visit a charming café to enjoy tea and shisha (waterpipe).

The boat will then sail to a picturesque riverbank where you'll stop for lunch and swimming.

Meals Included: Breakfast, Lunch, Dinner

Day 5

Kom Ombo – Aswan

After a peaceful night on the water, enjoy a morning visit to the town and Temple of Kom Ombo. Located on a riverbend, the temple was built during the Ptolemaic period and dedicated to Sobek, the crocodile-headed god.

After touring the temple, visit the Crocodile Museum, home to many mummified crocodiles, showcasing their significance in ancient Egyptian culture.
