Overview

Experience the magic of ancient Egypt with **Egypt Day Trips** on the **Sound and Light Show at the Temple of Philae**. Set on an island in Lake Nasser, the Temple of Philae is dedicated to the goddess Isis, and this stunning evening show brings the temple's history to life. As night falls, the temple's magnificent columns and walls are illuminated, while a captivating narrative unfolds, recounting the temple's construction, the myths surrounding Isis, and the temple's rescue from the rising waters of the High Dam.

Itinerary

Day

Sounds and Lights at the Temple of Philae

After enjoying your breakfast at the hotel, you will be accompanied by our representative in a private air-conditioned vehicle to attend this amazing show.

Experience the Sound and Light Show

Once you arrive at the temple, you will have some time to explore and absorb the tranquil surroundings before the sound and light show begins. The illuminated temple with its majestic columns, intricate statues, and detailed carvings creates a captivating spectacle as the story of Isis and her temple unfolds. Accompanied by dramatic lighting effects and music, the story tells the ancient myths and heroic efforts to save this UNESCO World Heritage site from the rising waters of the Nile.

After finishing the show, your driver will drop you back at your Luxor hotel comfortably and safely.
