Discover the beauty of Philae Temple, dedicated to the goddess Isis, located on an island in the Nile River, and admire its intricate architecture and serene surroundings. Then, marvel at the colossal **Unfinished Obelisk**, where ancient stone-working techniques are still visible. Finally, visit the **High Dam**, a monumental engineering feat that controls the flow of the Nile and provides irrigation for much of Egypt.

### Itinerary

#### Day

#### Trip to Philae Temple, Unfinished Obelisk and High Dam

After enjoying your breakfast at the hotel, you will be accompanied by our expert tour guide in a private air-conditioned vehicle for a full day of exploring Aswan's famous landmarks.

Philae Temple

Your first stop will be the Philae Temple, dedicated to the goddess Isis, which offers a fascinating glimpse into ancient Egyptian religion. As you explore the intricately decorated halls and shrines, your guide will share the captivating story of its relocation to save it from flooding after the construction of the High Dam.

### Unfinished Obelisk

Your next stop will be a visit to the Unfinished Obelisk, a colossal piece of stone partially carved from bedrock in an ancient quarry. This site provides insight into the techniques and challenges faced by ancient craftsmen when carving these monumental structures.

### High Dam

Your last stop will be the Aswan High Dam, a modern engineering marvel that transformed Egypt's economy and landscape. Your guide will explain the dam's critical role in controlling the flow of the Nile River, preventing floods, generating hydroelectric power, and providing irrigation to vast areas.

Once you finish your visits, your driver will drop you back to your hotel comfortably and safely.
