Upon arrival, your first stop will be **Lake Qarun**, one of the oldest natural lakes in the world, believed to date back to the time of the Pharaohs. The lake is famous for its clear waters and abundant birdlife,

making it a peaceful spot for nature lovers.

Next, you'll visit **Crocodilopolis (Fayoum)**, an ancient city dedicated to the crocodile god Sobek. Here, you'll explore fascinating archaeological sites, including the remnants of temples, statues, and ruins from the Greco-Roman period.

Afterward, continue to **Wadi El Rayan**, a stunning natural reserve famous for its waterfalls and tranquil surroundings. The reserve offers a great opportunity for photography and relaxation, with the chance to take in the scenic beauty of the desert landscape.

In addition to the major sites, you will also have the chance to explore some of the local villages (**Tunis Village**) within the Fayoum Oasis, where you can observe the traditional lifestyle of the people living in this fertile area.
